To Whom It May Concern,

I have worked extensively with Grant Williams and his CMT Factory – Needlehead.

Grant and his team have produced top quality mass manufacturing for me. They have manufactured period costumes including coats, waistcoats, trousers and shirts, contemporary and futuristic fashion neo-prene womens dresses and coats, mens coats, jackets and shirts as well as a variety of uniforms.

I have found the quality of their work excellent and can vouch for the fact that they absolutely go the extra mile to make sure that the product is perfect and that near impossible deadlines are met.

I can highly recommend Grant and Needlehead to anyone in the Film Industry with our sometimes seemingly impossible tasks and deadlines.

Regards,
